A message from Pastor Steve

Dear Friends and Missionaries at St. Paul's,

Grieve. Heal. Reconnect. Three powerful words as we "resurrect" life after a year of this pandemic.

I was talking with Pastor Nate Preisinger (prior pastor at Parkside Lutheran) and he shared that in the weeks ahead, he'll be focusing his church on those three words. I think it's powerful wisdom and wanted to share it with you.

See, just as we all had to move through the bulk of the pandemic in a way/style that was comfortable for each of us, we also have to resurrect new life with similar boundaries. However, I believe that it will be important for each of us to focus on these three words as we do it.

Grieve. Take the time to grieve and remember the things that were lost over this past year. Recognize and honor the lostness of this past year. The people, on a macro and micro level. Hundreds of thousands and close friends and family. Events. Church stuff. Relationships. Health. Whatever it is, it's important to honor it in a way that works for you.

Heal. Part of moving fully through grief is allowing yourself to begin healing. Give yourself permission to start. Start walking into your new normal when you are ready. On your timing. Give yourself the opportunity to return to "normal adaptive behavior." Was your old normal something you want to dive back into? Or is there a new normal that is actually healthier for you? I will share with you that, as many of you know, my winters are usually filled with illness. I have a terrible immune system and am ill more than I'm fully healthy from November through March. However, this year, during a global pandemic, I wasn't sick at all. Mainly because of distance, masks, sanitizer and lack of touching/shaking hands. So in my own healing, I will not be adding "shaking hands with/hugging the pastor" on the way out of church. It's not because I don't love seeing you, but I yearn for healthier winters and can do more ministry when I'm not sick! So what will your healing look like?

Reconnecting. How do you comfortably reconnect to people, places, traditions and patterns of the past? How do you reconnect and find community? Will all the digital interactions stop or were some of them better than what you had before? How do you reconnect with church, mission, ministry, volunteering, serving and sharing compassion?

Grieve. Heal. Reconnect. Let me know if you want to talk about any of these in the days and weeks ahead.

And on a completely different note: WELCOME ABOARD to Andrew Gruszka, our new Director of Digital Ministry. Andrew has been our sound engineer for WNY Church Unleashed and is joining the staff to help us continue, propel and grow our digital media outreach to the community around us and across the country. He'll be at St. Paul's some Sundays running the sound/video room (his sanctuary balcony office), training/managing that team and taking some of our onsite ministries into the digital and global world! What we learned in the pandemic is that St. Paul's has been truly unleashed into the world to share the good news of Jesus. Now Andrew is our staff person that will help make that happen! We will see you at Easter and beyond. Thanks for being an incredible church community!

Be well, healthy and blessed

A message from your Council President

Dear Congregation,

Happy Spring! It is so good to see flourishing plans to attend services in person as the weather improves, more people are vaccinated, and we celebrate this Easter Season. Welcome back whenever you feel comfortable attending. We continue to have socially distanced seating and wear masks. Communion is taken individually or by household group in the pews. As the weather improves, we hope to reinstate coffee hour outside.

We are happy you are with us whether you are at 4007 Main Street or your couch and kitchen tables at home.

Our Annual Congregational Meeting will be held on May 2, 2021 at 10:45am, after church service. You will have the ability to attend in-person at St. Paul's or on Zoom. The Zoom link will be sent out that week. At that meeting, we will give updates on all of our building renovations. We will vote for three council members. Sue Renken-Mintzer is completing her second term. We are grateful for her work and thoughtful contributions. Cheryl Gillen and Vern Stein are completing a second term. We will also be voting on a constitutional amendment as listed below.

Proposed Constitutional Amendment:

C21.05.01. and C21.05. We want to modify C21.05 from, "Endowment funds will consider a percentage of the balance at year-end to be the income for that year. The percentage will be set in the bylaws, but must be between five (5) percent and ten (10) percent." to "Endowment funds will consider a percentage of the balance at year-end to be the income for that year, as needed. The maximum percentage will be ten (10) percent." C21.05.01 should be modified from, "The income percentage shall be six (6) percent of the ending balance each year." to "The income percentage will be as proposed by the Finance Committee and approved by Council at the December meeting."

Please feel free to speak to me or any council members if you have questions. Our names are all listed in the Sunday bulletin.

Debbie Howe, Council President

I am the resurrection and the life. Jn 11:25

Please remember that even though the church office is currently still open, we are still abiding by CDC rules. We ask that if you plan on coming into the building for any purpose, you must contact the office staff in advance to let us know of your visit. We respectfully ask you to please not stop by unannounced. Masks are still mandatory at all times in the building and we ask that you remain 6 feet apart as well. The health and safety of our staff, volunteers, and members are priority to us and we want to make sure that we create a safe space for everyone. Thank you!

Haiti

Despite the challenges of Covid and political turmoil in Haiti that cancelled our March medical team's visit (Michelle Biegner and Gail Singer were on that team), ministry continues at Grace Church, School and Medical Clinic. We are thrilled to announce that a major gift came in to help complete the fundraising for the medical clinic building. We have been working on the project's fundraising for over five years and will hopefully see the completion of the build by year's end.

We are also thrilled to announce that this summer we will have
18 more weddings on a warm Saturday in June!

Thank you to Todd Scanlon and Scanlon Jewelers for donating all the wedding rings for the couples.

We'll keep you posted on future mission teams hopefully heading back down in the fall. Thank you to the WNY Impact Foundation Board which continues to quietly work toward caring for and partnering with our brothers and sisters in Haiti to bring the good news of God's love to all people!

We are truly the church unleashed to "reach beyond ourselves!"

Sunday School

Welcome spring!

It is so nice to start seeing signs of life and warmer weather heading our way!
As you know, in-person Sunday School has resumed and is held during the 30 minute in-person worship service at St. Paul's. We meet upstairs in the Parish Hall, as well as streaming live on the St. Paul's Facebook page.

The Sunday School children have been learning the Gospel that is shared in church in a child friendly way. In addition to the lessons, the children have put together bags of needed items to be delivered to the homeless during the Burrito Project Tuesdays. They have also cleaned out the front library box and replaced it with food items for those in need, and made cards for our shut-in members!

On March 21st , I presented our new and exciting "Faith Based" breakout box!

What is a breakout box you ask?

A Breakout Box is similar to an escape room...but in a box. In a Breakout Box activity, children work together and think how to solve the clues given to unlock several locks to "break into" the box. They must solve puzzles and follow directions carefully to succeed. Once they succeed in getting through all of the locks, the box will contain a surprise treasure!

Each Sunday School family is invited to receive our faith based Breakout Box on Easter Day following the 10:30am service.

Please let me know if your family is interested in sharing this exciting, fun experience!

While the families enjoy these special boxes, the clues and lessons learned will be their form of Sunday School. Families can take their time in solving the clue's and can hold onto the boxes until in-person Sunday School resumes on April 25th! That is the day we will be requesting the breakout boxes and locks are returned. All treasures that were inside the box are for the children to keep!

I am looking forward to sharing this fun new adventure with the children!

Have a wonderful and safe Easter!
He has Risen Indeed!

Peace, love & keep the faith ~ June

Youth Group and Burrito Project

Youth Night

Last month was eventful for the Youth Group. We had an awesome time at Youth Night on the 6th. Played a few different games and ate a lot of pizza. We also had a great discussion based on Luke chapter 4, the season of Lent, and waiting for Jesus to come. The next Youth Night will be held on Saturday, April 10th, from 7-9pm. Games, pizza, and Devos! Grades 6-12 welcome!

Burrito Project

As always, the Burrito Project was a great success.! We handed out 80 burritos, water bottles, chips, and granola bars. We also gave out multiple winter hats, gloves, socks and blankets and bags of toiletries etc. from the Sunday School children. We are hoping for some warmer weather in the upcoming months. All of the left-over winter donations will be handed out next season! We had a few new faces volunteering this past month. One youth approached me halfway through and said, "Adam I love this! It makes me so happy to be able to help those in need. I can't wait to do this again next month." It's comments like that that make me happy and enjoy the work that we do.

It's always a blessing to help, and to see youth enjoy doing God's work.

The St. Paul's Youth Group participate in the Burrito Project the third Tuesday of every month to prepare homemade bean and rice burritos and lunch bags to be delivered to the homeless, poor, and working poor living on the streets of Buffalo.

We will have a small group in the kitchen making the burritos at 6 pm, and then another small group walking around downtown Buffalo handing out the burritos from 7-8:30 pm (we will be wearing masks and keeping a good distance). Let Adam know in advance if you are interested!

April donation needs:

- New men's underwear
- Men and Women's deodorant
- Toothbrushes and travel size toothpaste

Next project will be Tuesday, April 20th, from 6-9pm.

Tiger's Den Food Pantry

Are you looking for a challenging, rewarding new experience?

Are you tired of staring at the four walls at home?

Are you so deeply addicted to the soap operas that you need an intervention?

Have you received your complete Covid-19 vaccination shots?

Well, we could use your help!!

The Tiger's Den Food Pantry would like to invite our previous volunteers back, and if you have never volunteered but would like to help out, we could use your assistance. Since the beginning of Covid in March 2020, the same eight adult volunteers and four young people have kept the pantry alive and serving families in need in our area.

If you are interested in volunteering to help us when the pantry is open, be aware you will not be working directly with the families since we still cannot allow them into the pantry.

You will be working alongside other volunteers who have received their Covid vaccination(s) and continue to wear face masks.

For additional details, please give me a call at 837-2439,
and I will be happy to answer any questions you may have.

Thank you, Adrienne Leary
